

LAST OF THE SUMMER WINE

Lake Chalice was established in 1989, their vineyards in the **Marlborough** region are recognised for high quality wines, gaining a global reputation. They have a boutique approach with handcrafted parcels from single vineyards and they are certified 'Sustainable Winegrower of New Zealand'.

The native Falcon is displayed on every bottle as they are supporters of the Falcon Conservation Trust and every bottle contributes to the protection and rehabilitation of indigenous birds of prey.

Reach for the Skye... but not that high... Both low alcohol only 9.5%
These two are their new lighter style, but still packed with vibrant aromas and juicy fruit.

WHITE

Sauvignon Blanc 'Skye' Lake Chalice 2021 £13.40
Marlborough/New Zealand 9.5% *Vegan*

100% Sauvignon Blanc

The grapes are picked earlier than normal to deliver a low alcohol wine without compromise in flavour. The wine has vibrant aromas of tropical fruit with gooseberry and zesty lime on the palate creating a juicy style with textured weight on the finish. Excellent with goats cheese or seafood.

ROSE

Rosé, 'Skye' Lake Chalice 2021 £13.40
Marlborough/New Zealand 9.5% *Vegan*

98% Sauvignon Blanc / 2% Malbec

The wine is pale in colour and is an elegant lighter style which is wonderfully mouth-watering with delicious hints of perfumed strawberries, delicate notes of cherries and a lifted finish. Very versatile to match spicy food, try it with chicken or prawn curry.

Not so low... but very summery. Try it slightly chilled

RED

Pinot Noir 'The Nest' Lake Chalice 2020 £14.75
Marlborough/New Zealand 13% *Vegan*

100% Pinot Noir

A silky and light style of Pinot Noir with aromatic notes of raspberries, dried herbs and leafy overtones, the palate is elegant, bright and rounded with a smooth toasty finish. Perfect with duck or a meaty fish.
