

Hello all on this November wintery day. It is getting chilly so we have some comfort and good value wines for you from Chile to drink on these darker and colder nights.

Two of our two favourite wineries from that country.

Richard will deliver on Friday, so place your orders please.

For those who have booked for the lunch on December 10th we may move it into the Hall rather than the Foyer so that we have more room, but I'm sure you'll find us wherever we are...

We look forward to seeing you! Best wishes, Eve. xx

CHILE NIGHTS

Price per bottle inc. vat.

WHITE

Sauvignon Blanc Reserva, Vina Echeverria 2023 £11.25

Curico Valley/Chile 12.5% *Vegan*

100% Sauvignon Blanc

Vina Echeverria is a family run estate established in 1830 and was awarded 'Sustainable Winery' status by Wines of Chile. The wines are being vinified naturally, without any additions at any stage.

This Sauvignon Blanc is vibrant, crisp and fresh with grassy aromas, it has citrus flavours of grapefruit and notes of green pepper, balancing out beautifully. Excellent with goats cheese or seafood.

Undurraga is one of Chile's most prestigious wineries, consistently receiving high scores from top wine critics. Founded in 1885, they cultivate with a respect for the environment and follow a philosophy of minimal intervention in the cellar and the vineyard.

WHITE

Chardonnay, Undurraga 2022 £9.95

Central Valley/Chile 12.5% *Vegan*

100% Chardonnay

Unoaked Chardonnay with enticing aromas of exotic fruits, refreshing flavours add citrus with a hint of honey and an elegant palate with balanced acidity lingering on the finish. Good with smoked fish.

RED

Carmenere, Undurraga 2022 £9.95

Central Valley/Chile 13%

100% Carmenere

Easy drinking with aromas of coffee delivering an exuberant palate of dark red fruits, notes of chocolate and a smooth herbaceous finish. The Carmenere grape was confused with Merlot until the late 90's.

So it shares similar characters. Perfect with lamb.

Other wines in stock

WHITE
