Organic Spain

White

Dominio de Fontana produces superb single estate wines from the DO Ucles, which is located in one of the most northern and highest areas of Central Castile. The estate is managed as an integrated ecosystem, which includes old Quercus oak trees and the vineyard is certified Organic with authentic wines and a distinctive Spanish personality.

Sauvignon Blanc & Verdejo, Dominio de Fontana 2022 £10.95

Ucles 12% *Organic & Vegan*

A crisp aromatic blend of 77% Sauvignon Blanc / 23% Verdejo, the wine shows attractive aromas of grassy and gooseberry characters with touches of fennel and white pepper, it has a concentrated palate with an uplifting refreshing mineral finish.

This is an old favourite of ours but a new vintage, a good match with fish or Spanish cheeses.

Rose

Bodegas Nodus is part of Finca El Renegado that is one of the greatest ecological estates in the Valencia region and dedicated to the native Bobal grape variety, using different types of French oak that gives the wines greater complexity, distinction and high quality.

Bobal Rosado, 'Actum' Bodegas Nodus 2022 £11.20

Utiel-Requena, Valencia 12% *Organic & Vegan*

Vivacious aromas of raspberries with tangy red fruit flavours, this 100% Bobal grape variety is smooth with refreshing acidity, a fleshy palate and a pure expression of the vibrant fruit.

Excellent all-rounder for many dishes!

Red

Bodegas Ondarre was founded in 1985, it is situated in the village of Viana overlooking the Rioja Valley. They use French & American oak casks to help obtain character in their wines. The grapes come from low-yielding vines with a careful selection of the grapes allowing for true expression of the climate and soil.

Rioja 'Primeur' Bodegas Ondarre 2021 £11.95

Rioja 14.5% *Organic & Vegan*

The Primeur comes from a certified organic parcel within the estate vineyard. It is released early from the cellars to showcase young fruit-forward wines with mild oaky notes.

The wine is 68% Tempranillo / 32% Garnacha and is full bodied but very soft and quaffable, complemented by exuberant black fruits, delicious texture and glorious spice. Great with Lamb or cheese.
